## Description

HERE IS THE ONE YOU'RE SEARCHING FOR! This all brick ranch 3 bed/2 bath home with a first-floor laundry room (could double as a mud room for the pets) first floor master and a large eat-in kitchen sits on a 1.5 Acre (mol) corner lot in the country. In the last six months, new hardwood flooring was added to the office & hallway, new laminate in the kitchen & laundry room, new carpet was added to the living room, formal dining room & hallway - and 2 of the bedrooms have new padding. Additional amenities include a 32 ft x 48 ft outbuilding, a covered back porch, extra-large 2 car garage with wood burning stove (as-is), and a fenced yard. Did I mention the 2nd kitchen in the full basement (as-is), the wonderful mature trees and that the entire house has been freshly painted throughout?
